

**NIKOLAI**  
**REACT.JS DEVELOPER**

 <p><b>SKILLS</b></p>	<p>HTML, Jade, CSS, SASS/Less/Stylus          JavaScript, JQuery, Ember.js          ReactJS, Redux/Flux/Reflux, Redux – thunk/saga          NPM/Bower          Grunt/Gulp/WebPack          AMD/CommonJS          MongoDB, Karma</p>
 <p><b>WORK EXPERIENCE</b></p>	<p><b>UI DEVELOPER</b>          B2B   2016-till now          The project was built entirely from scratch and was a huge cloud system for small business owners. Participated in the prototyping of project architecture and was the leading front-end developer</p> <p><b>UI DEVELOPER / TEAM LEAD</b>          HELLO MONDAY   2013-2016          Being versatile specialist, i easily joined to the working process. Began the way in firm as the developer of interface all cycle, beginning from planning and ending with a code, i listened other people's opinions and shared my. Whereby was offered try myself as a team lead.</p> <p><b>FRONT-END DEVELOPER / PM</b>          GOGET   2012-2014          I came to the firm as a front-end developer but in the my rush to new I started working with design, I began designing interfaces, I wrote a lot of product documentation and all the time I learned something new, that will raise my projects on new level.</p> <p><b>FRONT-END DEVELOPER</b>          SEVENSKY   2011-2012          During this period I worked with a great team in which there were former students from KPI. In addition to interesting projects guys instilled in me a love for the preprocessors and have taught me how to write routine things more easier and faster. I began working with Jade, Stylus, coffeescript , and other cool things.</p>

	<p><b>FRONT-END DEVELOPER</b>          FREELANCER   2010-2011</p> <p>That were dashing 2010s.No experience, no orders, lives in a dormitory. Complete lack of interesting or good projects. Not best period of the beginning developer.during this period of time it has been written a lot of HTML/CSS/Js code and made the first attempts in the design.</p>
<p><b>EDUCATION</b></p>	<p><b>NATIONAL TECHNICAL UNIVERSITY OF UKRAINE "KIEV POLYTECHNIC INSTITUTE"</b>          Master's degree</p>
<p><b>LANGUAGE SKILLS</b></p>	<p>Russian - Native speaker          Ukrainian - Native speaker          English – Advanced</p>
